

WITHOUT HER

By: Mychelle Davey

Sand in my hair and my toes
So many highs, never any lows.

Oh only Summer knows,
How much I love her.

Late nights, new songs,
Without a care, what could go wrong?

Oh only Summer knows,
How much I miss her.

Fall has come, leaves falling fast,
As I remember all the good times that have past.

Oh only summer knows,
How much I need her.

Without her here with me,
I'm trying to be the best I can be,

But only Summer knows,
It shouldn't be over.
